ABOUT US

Who We Are

Apex Elevator Services limited is an elevator company registered in Kenya, dedicated to the sales, installation and maintenance of lifts and escalators. We are the agent of high quality modern elevators and escalators: General Elevator. The company is operated by a team of professionals with immense experience and dedication in offering quality and reliable services at very competitive rates.

VISION

To become the best elevator and escalator service provider in the country and the region and make a positive difference in service delivery.

MISSION

To offer unrivalled service that exceeds client expectations through timely, reliable, safe and cost-effective elevator solutions.

WHY US?

01. EXPERIENCED TEAM

We have successfully handled projects across Kenya and the East African region, delivering reliable and professional solutions.

03. AFFORDABLE PRICING

We offer competitive and cost-effective pricing without compromising on quality, safety or service standards.

02. QUALITY ELEVATOR SYSTEMS

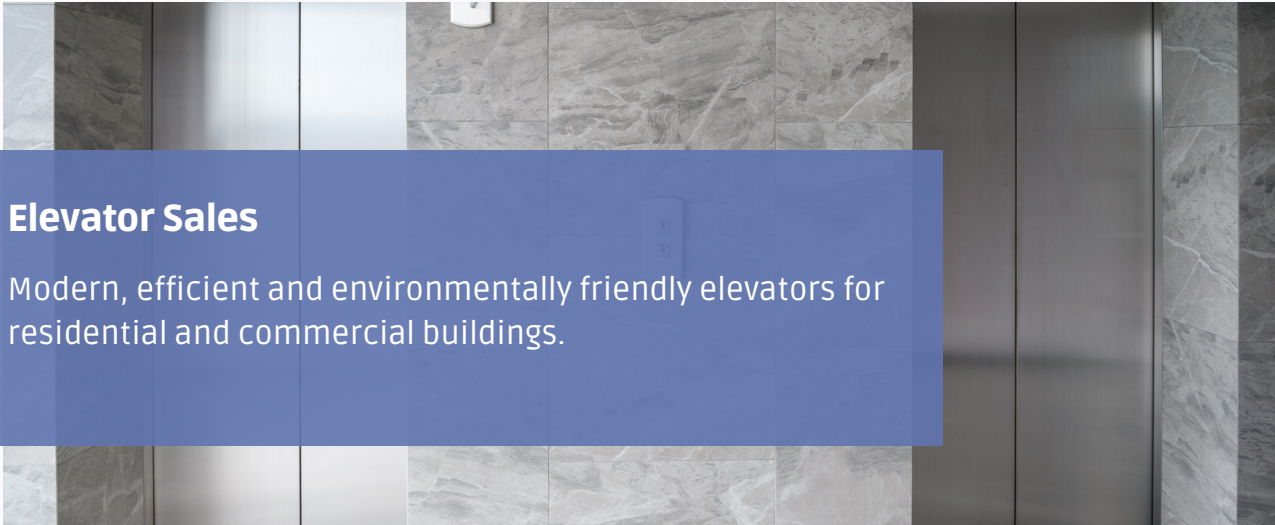

We supply modern, high-quality and energy-efficient elevator systems designed for safety, durability and smooth performance.

04. RELIABLE SUPPORT

Our dedicated maintenance team provides timely servicing, inspections and technical support to ensure your systems operate efficiently at all times.

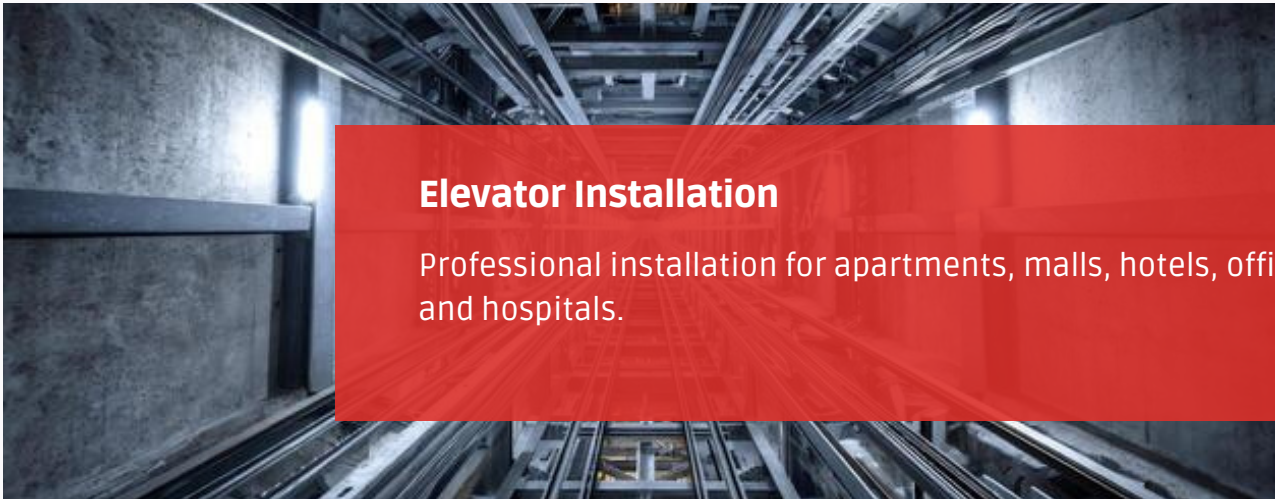

OUR SERVICES

Elevator Sales

Modern, efficient and environmentally friendly elevators for residential and commercial buildings.

Elevator Installation

Professional installation for apartments, malls, hotels, offices and hospitals.
